Information as of 2022-02-21 at 1745hrs

**Protective Intelligence Unit (PIU)
National Division**

OFFICER AWARENESS:

- CIG OSINT has identified a Facebook video posted by an **Personal Info.** posted on 2022-02-20, in which he states that he will be heading to Parliament on 2022-02-23. In the original **Personal Info.** video, **Person** appears to be threatening to head to Parliament, no matter what the circumstances are, along with everyone who is "left." This may imply that **Person** along with other protestors, are planning on storming Parliament on 2022-02-23. At this time, an official translation has not been obtained. The RCMP is currently investigating.

- In previous Facebook video posts, **Person** has been observed around Canadian flags and jerry cans. He also introduces other truckers in the videos and 'asks how many days have you been with us'. This might suggest that **Person** is involved in the Freedom Convoy protests in Ottawa.
